

2004 Bible Quiz Finals Individual Registration Form

Church: _____ City/State: _____

Please use this form to register all quizzers for **Individual Competition**. **You must complete all information, including average.** If you did not keep records, you must estimate an average. This average is the number of points per quiz for the entire season, and must be between 0 and 100. Please note beside the average if a quizzer has been quizzing in a higher or lower team division that may cause this number to need adjustment. For example, a young teen veteran individual quizzer may have a lower average than expected if he/she has been quizzing in the top senior teen veteran division all season, or a higher average than expected if he/she has been quizzing in the lowest young teen rookie division all season.
